why a Mereway bathroom?

Bathrooms are often the smallest room in the house where space tends to be at a premium. With inspirational furniture, worktops and handles, Mereway Bathrooms have brought together a collection of designs and finishes we know you will love.

Crafted with style and quality Mereway Bathrooms offer two exclusive furniture collections designed to reflect your lifestyle and suit your pocket.

Infinity fitted furniture offers a wide range of depths and sizes giving you endless design and storage possibilities whatever the size of your bathroom. Synergy brings together a boutique collection of contemporary freestanding furniture that requires little or no planning and is easy to install.

With an extensive range of cabinets in a choice of depths, we can help you maximize those awkward spaces. All are fitted with a gentle soft closing system ensuring doors and drawers are shut in a controlled way protecting cabinets, contents and fingers. A range of basins and taps are available to complement the furniture and help you complete the look.

So whether your bathroom is big or small, contemporary or traditional, Mereway Bathrooms have everything to help you create a bathroom is... **simply beautiful.**

Keeping your environment beautiful

We recognise that we have a vital role in helping to protect the local and global environment. We are proud to use a wide range of sustainable products throughout our manufacturing process and strive to use recyclable materials wherever possible as part of our serious commitment to supporting green issues.

space saving solutions

great ideas for the smallest room in your home

Bathrooms are places to relax both your body and mind, so storage is key. Think about the toiletries you use every day and how best they can be accessed, stored or displayed.

Maximise space by using 220mm deep cabinets and the more compact Levanto 45 semi countertop basin as shown opposite.

Fit cabinets with plinth to ensure a seamless finish from worktop to floor. Or incorporate wall hung cabinets for an open, airy feel.

Waste bins, Linen baskets and tissue roll can all be stored away in our purposely designed cabinets.

Incorporate a space saving Dual Flush Cistern within a Shallow Base Unit reducing the amount of space required for the WC.

Use wall mounted mirrored cabinets to provide valuable storage space and keep worktops clutter free. A Bi-fold Wall Unit will give you complete access to a double cabinet in a single action.

Ensure you have enough lighting. Bright light is essential, whilst overhead accent or feature downlighting can provide a calming effect.

Space saving solutions featured here include Levanto 45 semi countertop basin and matching back to wall pan with standard seat. 220mm deep cabinets with Dual Flush Cistern, Bi-fold Wall Unit, Tissue Roll Unit and Open Shelf. Door shown is Adriatic Gloss White with handle no. 605 and Laminate worktop in Light Maple.

features and accessories

Personalise your bathroom with our cleverly designed range of features and accessories

1. Flush mounted LED Downlight for use in Flyover Shelf when above wall unit
2. Energy efficient surface mounted Chrome LED Downlight
3. Overhead Cornice Light
4. Energy efficient Halo LED Light in Aluminium finish
5. Overhead Mirror Light in Chrome finish
6. Interior Unit Shaving Socket with built in low voltage light switch (Model may vary)
7. Tissue Roll Unit complete with roll holder
8. First Aid Wall Unit with lockable medical box. (Contents not included)
9. 'Mini' Waste Bin with 8 litre capacity

10. Wicker basket base unit with 2 storage baskets

11. Semi Countertop Drawer Basin Unit with space provided between drawers for plumbing services

12. Horizontal Bi-fold door

Made of an acrylic bound solid surface material, all worktops are impact resistant and water repellent making them the ultimate surface offering.

With a variety of semi-matt natural colours available, you are sure to find the perfect finish to complement your chosen door perfectly.

Mereway Bathrooms solid surfaces are available in 9 durable natural finishes.

- Can be combined with water resistant integral basin to eliminate unsightly gaps
- Can be reversed and used as flyover shelves
- Can be used to create a feature upstand
- Hygienic non-porous surface
- Pleasantly warm to the touch
- Resistant to common household chemicals
- Easy to clean and maintain
- Heat resistant up to 180°C
- Light fast
- Factory fitted encapsulated edges
- Can be repaired and re-sanded to remove scratches

laminate worktops

Laminate surfaces are available in gloss or satin finishes and are designed to complement our range of doors.

It is also possible for them to be used as flyover shelving where appropriate.

Mereway Bathrooms laminate surfaces are available in 20 natural finishes.

- Quality certified by the British Standards Institute
- Uses materials from recycled or managed forest sources
- Strong and enduring
- Easy to clean and maintain
- Suitable for fabricating and installing in several ways
